

MAC is happy to announce new Jumuah prayer location in SW area of Calgary

Address is 60 Patterson Blvd SW Calgary

It's a rental hall with Alberta Badminton Association.

Few things to consider about this location.

It's 3 month trial period given to us by the hall administration. So we have to be at our best behavior so we could continue with this location for long time.

This location will only be able to serve brothers only until we get it permanently then we can make arrangements for sisters as well.

Please park only at proper parking areas, do not park in front of someone's house or business.

Please help us to make this location beneficial for all of us.

Jazakallah khair
